***God is Faithful***

Regardless of what we do, how sinful or obedient we are, God is faithful. Paul in his opening to the church at Corinth reminded them about the grace of God and God is faithful. (1 Cor 1:9) The church at Corinth was going through quite a bit, believing Jews trying to follow law and Christ, Greeks trying to apply earthly wisdom to spiritual truth; it drove division in the church.

Paul was clear – he preaches Christ crucified – simply put (1 Cor 1:23). It is not about following one church leader or another, it is about following Christ and the truth of God's grace, mercy, and peace. Being single minded in following Christ is what will bring unity.

Through all that, the division, the arguments, and turning a blind eye to sin – God is faithful.

Have you ever wondered why God is so faithful? It is because of his unwavering, unchanging character. God is truth, God is Love and only God could have provided a way through the death, resurrection, and ascension of Jesus Christ to make the perfect atonement for all the sins of the world. God has never broken a promise, He has never told a lie, He has always been there.

Look back over your life and identify when God was there even if you didn't realize it at the time. When did he provide a way out of a bad situation? Where did God move mountains to help you get to where you are today? Regardless, through it all – God is faithful.

The Bible has 29 times (CSB version) where the Bible references God's faithfulness. If you are lacking in realizing God's faithfulness turn to Psalm 36 for a reminder from David.

*Prayer*

*Dear Lord,*

*Thank you for paying the perfect and ultimate sacrifice for our sins. God thank you for being faithful to your people and providing a way for us to be with you in eternity. We thank the Holy Spirit for your indwelling that helps guide us in God's faithful way. Thank you for being there all the time. Thank you for your faithfulness.*

*To God be the Glory! Amen!*
